WHAT DOES IT TAKE TO KEEP YOUR BUSINESS COPYING & PRINTING FOR FREE?

Buy any of these three BRAND NEW HP Designjet MFPs between May - Oct '09, and we'll take R30 000 off the price tag. This could very well cover the ink costs of your drawing office or copy shop for up to 12 months*!

*based on average usage tracked in medium-sized companies; media costs excluded; quoted prices based on Rand-Dollar Exchange and hence subject to change.
